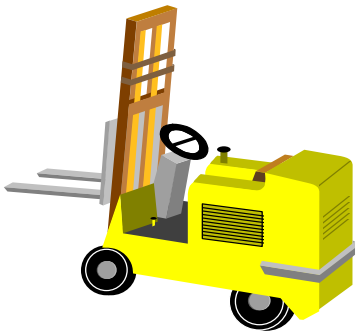
FORKLIFT TRUCK INSTRUCTOR TRAINING PACK

Who can use this package?
Nifast has designed a special training package for successful participants of our Forklift Truck Instructors Course to assist them in training people within their organisation.

What does it contain?
This package contains everything you need to start your own Forklift Truck Training Programme. Twenty-nine coloured overheads in CD Rom format address the key areas, which must be examined. These overheads will have been used already on your Forklift Truck Instructors Course. This package gets you up and running immediately.

- **DVD Programme – '7 Deadly Sins'**
- **29 Overheads – CD Rom format**
- **Forklift Truck Operators Manual**
- **The Safety, Health and Welfare at Work Act 2005 – a paper presented by Raymond Byrne, Barrister at Law**
- **Driver's Daily Checklist**
- **Theoretical Test**
- **Practical Assessment**



How much does it cost?
The complete pack, which allows you to train as many staff as you like as often as you like, costs €450 plus VAT (Past Attendees) OR €600 plus VAT (Non Attendees)
